A firm built on diverse expertise.

Founded by a team of experts across multiple business dimensions

Vistaara Group is a multidisciplinary firm delivering integrated design, construction and fit-out solutions. Our founding team has been executing projects since 2018 under Awevue Construction & Interior Solutions, building a track record with railways, PSUs, corporates, retail chains, hospitals, hotels and private residences.

We combine in-house architectural design, civil construction, interior execution, custom joinery and stainless-steel fabrication — so a project moves from first concept sketch to handover under one accountable team. That single-point delivery is what our clients return for.

OUR VISION

Integrated solutions that combine innovation, functionality and excellence — fostering growth and trust in every partnership.

INNOVATION

Forward-looking thinking

FUNCTIONALITY

Solutions that perform

EXCELLENCE

states served

Vistaara Group Head Office, Vijayawada — reception, designed and executed in-house

Our nine verticals.

One group, integrated capabilities across the built environment and beyond

01 Architectural Design & Construction

Sustainable, aesthetically strong structures — design through handover.

02 Interior Design & Home Automation

Modern, smart and personalised living and working spaces.

03 Building Maintenance

Long-term operational efficiency and property care.

04 Landscape & Outdoor Infrastructure

Vibrant, eco-friendly and functional outdoor environments.

05 Hospitality Management

Professional management services for hospitality assets.

06 Visa Consulting

Reliable guidance for international travel and migration.

07 Financial Services

Structured financial planning for businesses and individuals.

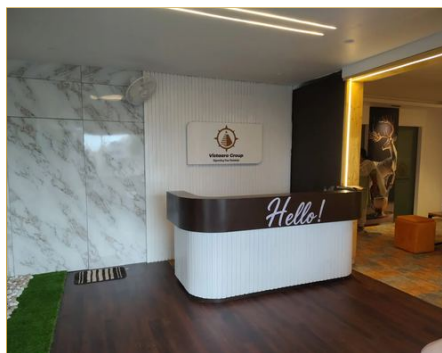

08 IT Solutions

Technology-driven services for operations and connectivity.

09 Security Infrastructure

Advanced systems for safety, monitoring and protection.

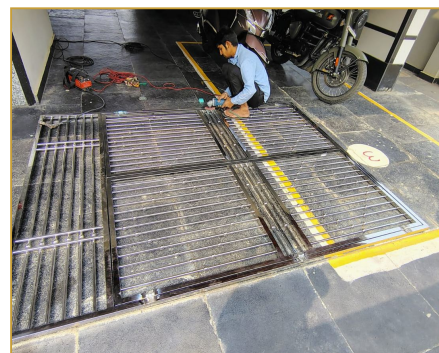

CAPABILITY IN PRACTICE

Corporate reception fit-out - Vistaara Group Head Office

Civil construction — structure and masonry

In-house stainless-steel fabrication

Projects on record.

Executed by our founding team under Awevue Construction & Interior Solutions, est. 2018

South Central Railways

VIJAYAWADA & GUNTUR DIVISIONS

Customised blinds for all ticket counters in Vijayawada Division; ongoing contract for interior works — wallpaper, blinds and office interiors. Renovation of TRD/BZA designed and completed.

Vistaara Group Head Office

VIJAYAWADA

Corporate head office designed and executed in-house — reception, cabins, customer experience centre and workstations.

Food Court

PRODDUTUR

Multi-brand food court designed and completed — counters, feature walls, seating and finishes.

Ashok Leyland

MALLAVALLI

Brick laying and plastering, Kota stone flooring and Armstrong ceiling installation.

The Capital Hotel

GUNTUR

Supply and installation of carpets and blinds across the property.

Sentini Group — Sentini Mall

VIJAYAWADA

Brick laying, plastering, tile laying and plumbing works.

Individual Residences

VIJAYAWADA

Independent houses designed, constructed and executed — civil works through interior handover.

HPCL

ANDHRA PRADESH & TAMIL NADU

Complete office interiors delivered across five locations — Vijayawada, Donakonda, Kadapa, Kalakada and Dharmapuri.

MASB Associates

Square Infra — The SKIGH

TADEPALLI

Brick laying and plastering from the 6th to the 10th floor, 19 flats per floor.

Oh So Stoned

PAN-INDIA

Designer, planner and installer for retail stores across India.

AOI Hospital & Friends Shoe Co.

NAKKAL ROAD / VIJAYAWADA

Architectural design and budget estimate for the hospital; corporate office layout designed for Friends Shoe Company.

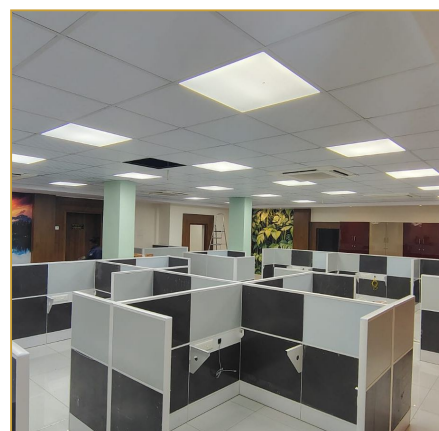

SECTORS SERVED

PSU & corporate offices — HPCL Dharmapuri

Retail & hospitality — Food Court, Proddutur

Government & railways — TRD/BZA, Vijayawada

South Central Railways — TRD/BZA.

Renovation of the Traction Distribution Office, Vijayawada Division — designed and completed

Complete renovation of a working railway office: stripped-back ceilings and walls rebuilt into an air-conditioned, fully furnished workspace with new workstations, storage, lighting, flooring and hand-painted mural feature walls. Inaugurated on 24 October 2025 by the Divisional Railway Manager, Vijayawada.

BEFORE RENOVATION

Existing office — damaged ceiling, dated services and worn finishes

Original entrance — worn flooring and deteriorated wall surfaces

EXECUTION IN PROGRESS

Ceiling and storage carcasses

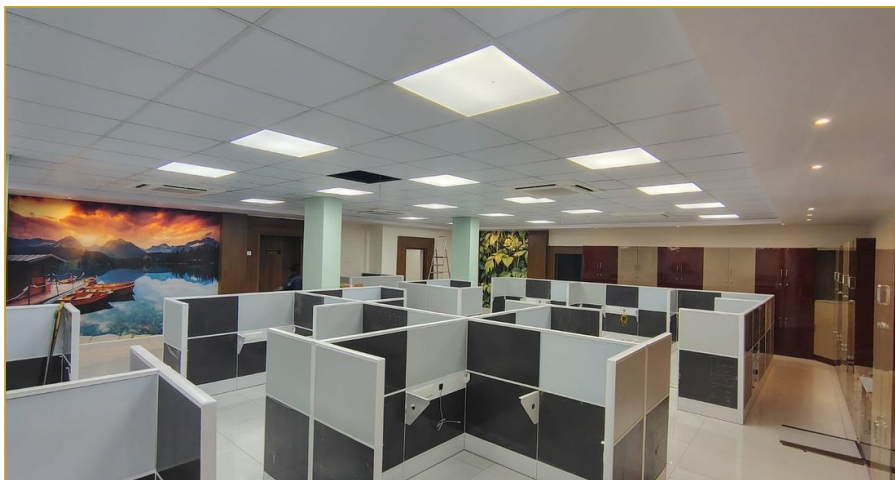

Workstation assembly

Mural panel installation

AFTER RENOVATION

Completed air-conditioned Traction Distribution Office

Inauguration plaque installation

Food Court — Proddutur.

Multi-brand food court designed and completed for SVS Enterprises

Turnkey delivery of a multi-brand food court — brand counters, illuminated signage, feature walls, dining zones, flooring, ceilings and services. Designed, coordinated and executed from bare shell to opening.

Completed dining hall — branded counters, seating and polished flooring

Entrance facade and signage

Brand counters and feature wall

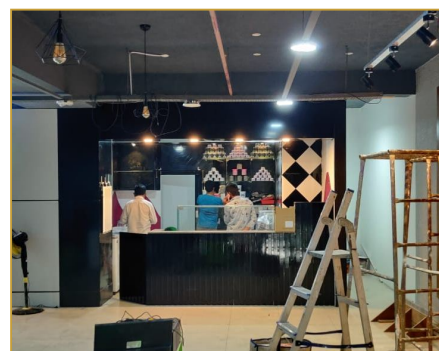

Seating nook — brick and wood

Dining hall — FOOD feature wall

Counters under construction

Fit-out and finishing stage

HPCL — Dharmapuri Terminal.

Complete office interiors for Hindustan Petroleum, VDPL Receiving Terminal

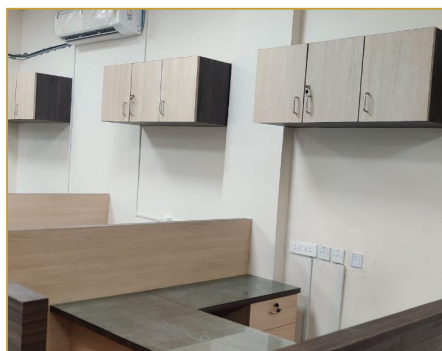

Full interior fit-out of the receiving terminal offices — reception, workstations, cabins, glazed partitions, custom joinery, branded feature walls and wall graphics. One of five HPCL locations delivered by Vistaara Group.

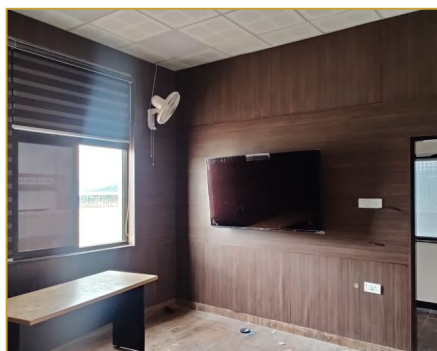

Reception — branded HP feature wall and curved counter

Wood panelling, glazed partitions and reception zone

Workstations with overhead storage

Cabin with veneer media wall

Custom geometric display shelving

Corridor mural — Green today, clean forever

Wall graphic — Together Towards Tomorrow

HPCL VDPL Dharmapuri Receiving Terminal

Head Office & MASB Associates.

Two corporate fit-outs designed and executed in Vijayawada

VISTAARA GROUP HEAD OFFICE — VIJAYAWADA

Reception, directors cabin, customer experience centre and open workspace.

Directors cabin — meeting desk and graphic wall

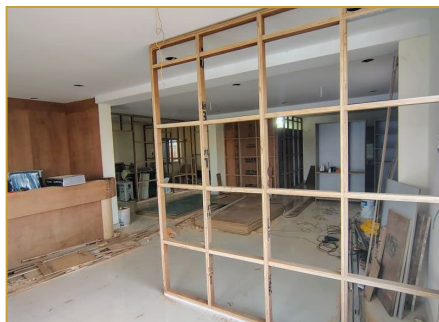

Customer experience centre — gold mosaic wall

Corridor — carpet tiles and wood-slat wall

Illuminated entrance facade signage

Glazed partition framing under execution

Hand-applied textured mural

MASB ASSOCIATES — NEW OFFICE

Reception feature wall, workstations, partitions and joinery — designed and executed.

Illuminated MASB Associates logo feature

Geometric wall panels and wood-framed doorway

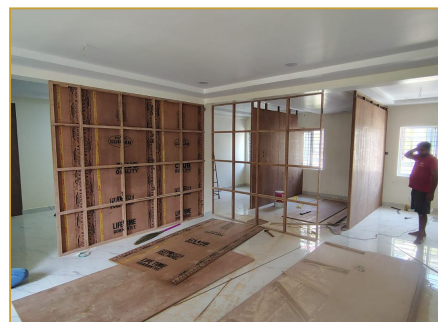

Reception counter and workstations in progress

Reception feature wall under construction

Reception counter joinery being assembled

Timber partition framing across the floor plate

Residences, fabrication & drawings.

Independent houses, stainless-steel works and in-house architectural design

INDIVIDUAL HOUSES — VIJAYAWADA

Designed, constructed and executed — structure to interior handover.

Completed residence — textured cladding elevation

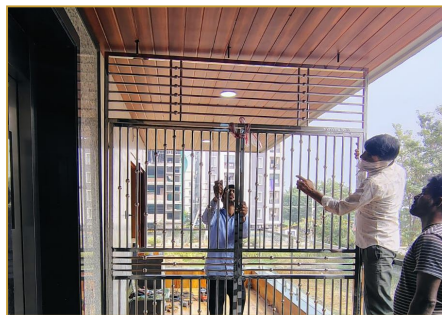

Arched balcony facade at finishing stage

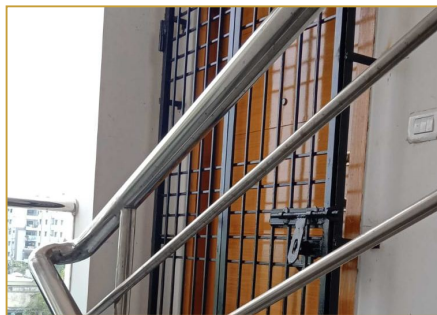

Granite staircase cladding

SS WORKS — DESIGNED & EXECUTED

Stainless-steel gates, railings, grills and balcony safety works.

Balcony safety gate and railing

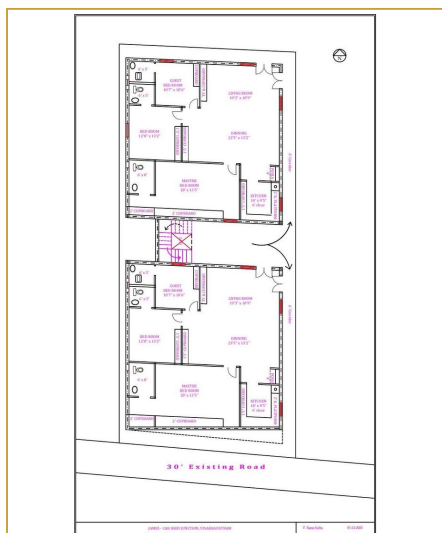

Stairwell handrails and security gate

In-house fabrication of SS gate

ARCHITECTURAL DESIGN — SELECTED DRAWINGS

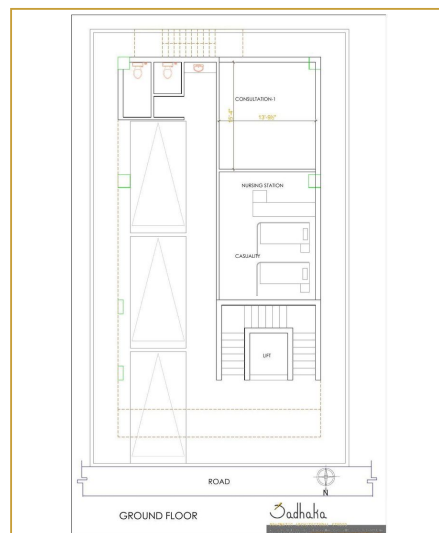

Residential, corporate and healthcare layouts prepared in-house.

Residence — ground & first floor plan

Friends Shoe Company — corporate office

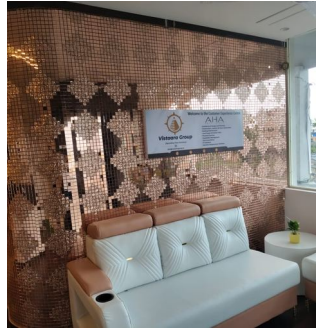

AOI Hospital, Nakkal Road — ground floor

Craft, detail and execution.

Recent interior works - reception, experience centre, murals, mosaics and flooring

Head office reception - logo wall and welcome counter

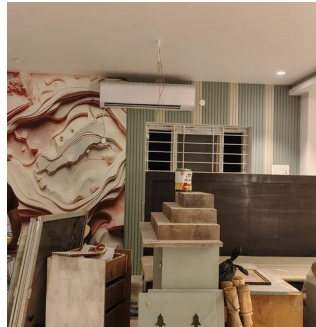

Customer Experience Centre - rose-gold mosaic feature wall

Branded wall graphic and consultation table

Residence interior - media wall, wallpaper and modular storage
